## COVER LETTER

---

Dear Hiring Team,

I am writing to express my sincere interest in the Sr. Product Designer position at your esteemed company. My passion for creating user-friendly and enjoyable products drives my commitment to enhancing functionality and usability through the development of user personas and scenarios. Currently, I serve as a Sr. Product Designer at mPower Social Limited in Banani, and my career journey includes valuable experiences at OrangeBD, Medina Tech Limited, SolutionSpin Ltd. Collectively accumulating five years of expertise in the UX/UI industry.

My journey into UX/UI design began during my academic pursuit of a BSc in Computer Science and Engineering at Southeast University. Two years prior to completing my degree, I embarked on part-time roles to gain practical experience in UI/UX design. After graduation, I joined OrangeBD, where I further honed my skills. Over time, I transitioned into a full-time position and consistently dedicated myself to honing my capabilities as a professional UI/UX designer.

Throughout my career, I have had the privilege of working on numerous projects, some of which have received recognition, such as Sisimpur, MyGov, LGD Sheba, Paura Sheba, Muktopath, and more. During my tenure at Medina Tech Limited, I expanded my skill set by integrating project management principles like Scrum alongside my UI/UX design expertise. I actively contributed to projects like Dr. Chashi, Easifi, Class Connect, and Safety Champs etc. During my tenure at SolutionSpin Ltd. I contributed to projects like SelftTest, Teletalk All Jobs, DGarma, Lafarge Holcim E-auction, Kulfido, Viosin Limo etc.

Currently, I hold the position of Sr. Product Designer at mPower Social Ltd. Here, I have made substantial contributions to projects like Ace Exams, Diabetes Self-Management, Createo etc. With five years of dedicated experience, I have evolved into an accomplished Product Designer, consistently motivated by my passion for crafting exceptional user experiences.

I am genuinely enthusiastic about the prospect of collaborating with your company to craft products that users genuinely enjoy. I invite you to review a summary of my work, available at the following website link: [raahimsaber.github.io/rasa](https://raahimsaber.github.io/rasa)

Thank you for considering my application. I am eagerly looking forward to the possibility of contributing my skills and expertise to your team. Thank You!

Best Regards,

**Rahim Saber**
